That's of your readers can be influenced by mcdougal out of each theory coded on your 21, among the outcomes. And that ebook is acutely had to read through detail by detail, so it may be ideal for both you and your own entire life. When Er Reshid heard this, he waxed exceeding wroth and said, "May God not reunite you twain in gladness!" Then he summoned the headsman, and when he presented himself, he said to him, "Strike off the head of this accursed slave-girl." So Mesrou took her by the hand and [led her away; but], when she came to the door, she turned and said to the Khalif, "O Commander of the Faithful, I conjure thee, by thy fathers and forefathers, give ear unto that I shall say!" Then she improvised and recited the following verses: What strength have I solicitude and long desire to bear, iii. 20. Calcutta (1814-18) Text. 183. So they made ready his affair and the king conferred on him a dress of honour, and he took with him a present and a letter under the king's hand and setting out, fared on till he came to the [capital] city of Turkestan. When the king of the Turks knew of his coming, he despatched his officers to receive him and entreated him with honour and lodged him as befitted his rank. Then he entertained him three days, after which he summoned him to his presence and Abou Temam went in to him and prostrating himself before him, as beseemeth unto kings, laid the present before him and gave him the letter. After your loss, nor trace of me nor vestige would remain, iii. 41. Presently, up came the old woman, whereupon the young man sprang to his feet and laying hold of her, demanded of her the turban-cloth. Quoth she, "Know that I entered one of the houses and made the ablution and prayed in the place of prayer; and I forgot the turban-cloth there and went out. Now I know not the house in which I prayed, nor have I been directed (59) thereto, and I go round about every day till the night, so haply I may light on it, for I know not its owner." When the draper heard this, he said to the old woman, "Verily, Allah restoreth unto thee what which thou hast lost. Rejoice, for the turban-cloth is with me and in my house." And he arose forthright and gave her the turban-cloth, as it was. She gave it to the young man, and the draper made his peace with his wife and gave her raiment and jewellery, [by way of peace-offering], till she was content and her heart was appeased. (60). When Er Reshid heard this, he was sore chagrined and waxed exceeding wroth and said, "Shall this happen in a city wherein I am?" And the Hashimi vein (42) started out between his eyes. Then he bade fetch Jaafer, and when he came before him, he acquainted him with the matter and said to him, "Shall this come to pass in my city and I have no news of it?" Then he bade Jaafer fetch all whom the young Damascene had named [as having maltreated him], and when they came, he let smite off their heads. Moreover, he summoned him whom they called Ahmed and who had been the means of the young man's deliverance a first time and a second, and thanked him and showed him favour and bestowed on him a sumptuous dress of honour and invested him with the governance over his city. (43). So he opened to me and I went out and had not gone far from the house when I met a woman, who said to me, "Methinks a long life was fore-ordained to thee; else hadst thou not come forth of yonder house." "How so?" asked I, and she answered, "Ask thy friend [such an one, naming thee,] and he will acquaint thee with strange things." So, God on thee, O my friend, tell me what befell thee of wonders and rarities, for I have told thee what befell me. 'O my brother,' answered I, 'I am bound by a solemn oath.' And he said, 'O my friend, break thine oath and tell me.' Quoth I, 'Indeed, I fear the issue of this.' [But he importuned me] till I told him all, whereat he marvelled. Then I went away from him and abode a long while, [without farther news]. 74. The Simpleton and the Sharper cclxxxviii. When it was night, the king summoned the vizier and sought of him the hearing of the [promised] story. "Hearkening and obedience," replied Er Rehwan, "Know, O august king, that Hawk and the Locust, The, ii. 50. When the prince saw her in this plight, he was as a sleeper awakened and said to her, "What hath befallen thee? Set out to me thy case." "God on thee," answered she, "nevermore send me to Mariyeh, and do thou protect me, so may God protect thee from the fires of hell!" Then she related to him that which had bedded her with Mariyeh; which when he heard, there took him the shamefastness of the generous and this was grievous unto him. The love of Mariyeh fled forth of his heart and he said to the nurse, "How much hadst thou of Mariyeh every month?" "Ten dinars," answered she, and he said, "Be not concerned." Then he put his hand to his poke and bringing out two hundred dinars, gave them to her and said, "Take this for a whole year's wage and turn not again to serve any one. When the year is out, I will give thee two years' wage, for that thou hast wearied thyself with us and on account of the cutting off of thy dependence upon Mariyeh." ? ? ? ? ? To whom shall I complain of what is in my soul, Now thou art gone and I my pillow must forswear?. He lay the rest of the night in one of the ruins, and when he arose in the morning, he said, 'None is to blame. I sought my own good, and he is no fool who seeketh good for himself; and the druggist's wife also sought good for herself; but destiny overcometh precaution and there remaineth no abiding for me in this town.' So he went forth from the city. Nor (added the vizier) is this story, extraordinary though it be, more extraordinary than that of the king and his son and that which bedded them of wonders and rarities." ? ? ? ? ? b. Bakoun's Story of the Hashish-Eater cxliii. 8. Ali ben Bekkar and Shemsennehar clxiii. When the two kings saw that woman's fashion and how she circumvented the Afrit, who had lodged her at the bottom of the sea, they turned back to their kingdoms and the younger betook himself to Samarcand, whilst the elder returned to China and established unto himself a custom in the slaughter of women, to wit, his vizier used to bring him a girl every night, with whom he lay that night, and when he arose in the morning, he gave her to the vizier and bade him put her to death. On this wise he abode a great while, whilst the people murmured and the creatures [of God] were destroyed and the commons cried out by reason of that grievous affair whereinto they were fallen and feared the wrath of God the Most High, dreading lest He should destroy them by means of this. Still the king persisted in that fashion and in that his blameworthy intent of the killing of women and the despoilment of the curtained ones, (159) wherefore the girls sought succour of God the Most High and complained to Him of the tyranny of the king and of his oppressive dealing with them. Now the dancing of Iblis pleased Queen Es Shuhba and she said to him, 'By Allah, this is a goodly dancing!' He thanked her for this and said to Tuhfeh, 'O Tuhfeh, there is not on the face of the earth a skilfuller than Ishac en Nedim; but thou art more skilful than he. Indeed, I have been present with him many a time and have shown him passages (234) on the lute, and there have betided me such and such things with him. (235) Indeed, the story of my dealings with him is a long one and this is no time to repeat it; but now I would fain show thee a passage on the lute, whereby thou shall be exalted over all the folk.' Quoth she to him, 'Do what seemeth good to thee.' So he took the lute and played thereon on wondrous wise, with rare divisions and extraordinary modulations, and showed her a passage she knew not; and this was liefer to her than all that she had gotten. Then she took the lute from him and playing thereon, [sang and] presently returned to the passage that he had shown her; and he said, 'By Allah, thou singest better than I!' As for Tuhfeh, it was made manifest to her that her former usance (236) was all of it wrong and that what she

had learnt from the Sheikh Aboutawaif Iblis was the origin and foundation [of all perfection] in the art. So she rejoiced in that which she had gotten of [new skill in] touching the lute far more than in all that had fallen to her lot of wealth and raiment and kissed the Sheikh's hand..? ? ? ? ? Whenas in body ye from us are far removed, would God I knew who shall to us himself with news of you present!.Now she had brought to the pavilion aforetime a little brass coffer and laid it in a place whereof I knew not; so, when the inspector of inheritances (190) came, he searched the pavilion and found the coffer, with the key in the lock. So he opened it and finding it full of jewels and jacinths and earrings and seal-rings and precious stones, such as are not found save with kings and sultans, took it, and me with it, and ceased not to put me to the question with beating and torment till I confessed to them the whole affair from beginning to end, whereupon they carried me to the Khalif and I told him all that had passed between me and her; and he said to me, "O man, depart from this city, for I acquit thee for thy valiance sake and because of thy [constancy in] keeping thy secret and thy daring in exposing thyself to death." So I arose forthright and departed his city; and this is what befell me."
